The University Mace and Batons

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

Marshals' Gowns

The gowns worn by the marshals are of the traditional University color, cardinal red.

Undergraduate Honor Stoles

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (*cum laude*) and white represents High Honors (*magna cum laude*). White stoles with cardinal and white cords represent Highest Honors (*summa cum laude*).

Graduate Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Royal Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Dark Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Gold
Human Environmental Sciences	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray
Law	Purple	Theology	Scarlet
Library Science	Lemon Yellow	Veterinary Science	Gray

The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '1906, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

Alma Mater

Pure as the dawn on the brow of thy beauty
Watches thy soul from the mountains of God
Over the Fates of thy children departed
Far from the land where their footsteps have trod.
Beacon of Hope in the ways dreary lighted;
Pride of our hearts that are loyal and true;
From those who adore unto one who adores us—
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward
Proud of our place in the vanguard of Truth,
Will sing unto thee a new song of thanksgiving—
Honor to God and the Springtime of Youth.
Shout for the victory or tear for the vanquished;
Sunshine or tempest thy heart is e'er true;
Pride of the hills and the white-laden Lowlands—
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depth will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the Future—
Mother of Mothers, we pray unto you.

The University Seal

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

HONORARY DEGREE RECIPIENT

LEWIS E. EPLEY, JR.

Honorary Doctorate of Laws, LL.D.

Lewis Epley Jr., who grew up in Springdale, overcame polio as a teenager and went on to a career that combined law, banking, business and public service in his adopted home of Eureka Springs and throughout the state.

Epley attended the University of Arkansas after recovering from polio. The effects of the disease kept him from playing the clarinet, but he still became an active and very public member of the band, acting as the

“Voice of the Razorback Band” for seven years. He graduated in 1961 with degrees in public administration and law, and moved to Eureka Springs soon afterward.

Epley developed a prominent law practice, and in 1984 was named special associate justice of the Arkansas Supreme Court. He was also chosen as a delegate to the Arkansas Constitutional Convention in 1969-70. Epley was also active in business, serving as vice-chairman of Cornerstone Bank (formerly the Bank of Eureka Springs) and a member of the board of directors of the Southwestern Energy Company.

He has maintained close ties to the University of Arkansas. Epley was a member of the University of Arkansas Board of Trustees from 1989 to 1999 and was chairman for two years. He is a board member of the University of Arkansas Foundation, the university Board of Advisors and the Arkansas Alumni Association Board. He also remains a major supporter of the Razorback band, and in 1997 the band building was named in his honor.

HONORARY DEGREE RECIPIENT

TENZIN GYATSO, HIS HOLINESS THE FOURTEENTH DALAI LAMA

Honorary Doctorate of Humane Letters, D.A.H.

The Dalai Lama is the spiritual leader of Tibetan Buddhists, and from the age of 15 also served as political leader, a position he recently relinquished. He was forced to flee into exile after China suppressed a Tibetan uprising in 1959. He and his fellow exiles established the Tibetan Administration in Exile in Dharamsala, India.

The Dalai Lama was awarded the Nobel Peace Prize in 1989 for his non-violent struggle for the people of Tibet. He became the first Nobel laureate to be formally recognized for his concern for environmental issues throughout the world.

In addition to his role as spiritual and a political leader for the Tibetans, the Dalai Lama is an international spokesperson for human rights and non-violence and is among the most respected leaders in the world.

In 2007, the Dalai Lama was awarded the Congressional Gold Medal by the president of the United States, George W. Bush.

Since 1959 he has received more than 84 awards, medals and honorary doctorates in recognition of his message of compassion, peace, non-violence, interfaith understanding and universal responsibility. He has also authored more than 70 books, which include *An Open Heart*, *Ethics for the New Millennium* and *The Universe in a Single Atom*.

HONORARY DEGREE RECIPIENT

CHRISTOPHER C. MERCER

Honorary Doctorate of Laws, LL.D.

Christopher Mercer was born in Pine Bluff, and is one of the “Six Pioneers,” the first six African American students to enroll at University of Arkansas School of Law. During his time in law school, he supported himself by teaching biology, chemistry and math classes including a business class for veterans at Carver High School in Marked Tree.

After graduating from the law school in 1955 and passing the bar exam with the highest score in his group, Mercer went on to play an integral part in the legal community and in the civil rights struggle in the state of Arkansas. He was a pivotal figure in the integration of Little Rock Central High School, serving as aide-de-camp for Daisy Bates and transporting the “Little Rock Nine” to and from school each day during their first semester. In addition, he was a member of the Arkansas Council on Human Relations and served as the Arkansas field secretary for the NAACP.

Mercer was the first African American in the South to serve as a deputy prosecutor and continues to practice the law after more than 56 years, often representing clients of modest means.

HONORARY DEGREE RECIPIENT

B. ALAN SUGG

Honorary Doctorate of Humane Letters, D.A.H.

B. Alan Sugg, retiring president of the University of Arkansas System, grew up in Helena-West Helena, where he attended public schools. His father was a county school superintendent and his mother a teacher. He attended the University of Arkansas on a track scholarship as a pole vaulter. After graduating he served in the U.S. Army before returning to the University of Arkansas for a master's degree. He earned his doctorate in higher education from the University of Oklahoma.

Sugg worked in higher education in Texas for 22 years, including 13 years as president of Texas A&M University at Corpus Christi.

He was named president of the University of Arkansas System in 1990 and has guided the institutions through unprecedented growth and challenges. The system now includes more than 66,000 students and 17,000 employees among its five universities, five community colleges, college of medicine, two schools of law, a presidential school, a math and science high school and divisions of agriculture, archeology and criminal justice.

President Sugg has championed the University of Arkansas system as a driving force in the state's economy and has worked diligently to meet the needs of both the state and the state's institutions of higher education.
